FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 1863

February 17, 2009

SUMMARY OF BILL: Sets the maximum application fee that the Secretary of State can charge a §501(c)(3) organization to hold an annual charitable event from an amount not to exceed \$700 to an amount not to exceed \$650.

ESTIMATED FISCAL IMPACT:

Decrease State Revenue – Not Significant

Assumptions:

- The current application fee of \$600 was based upon the number of estimated applications and the costs expected to be incurred by both the Secretary of State and the TBI in order to adequately administer the charitable gaming law.
- If the maximum amount of the application fee is reduced from an amount up to \$700 to an amount up to \$650, state revenues could decrease. Capping the amount that could be charged would limit the Secretary of State's ability to raise the application fee to cover any increase in administration costs in the future.
